Problems with the authorities?

For example, with the Job Center? Trouble with the immigration office or the Federal Office for Migration and Refugees (BAMF)? Trouble with the landlord?

At Johannesplatz Solidarisch, we stand together against poor working and housing conditions, unfair treatment by the Jobcenter, and other injustices.

In our counseling sessions, we try to find a solution together. In the Open Meeting, you can meet people from the neighborhood, network, and spend time together.

Tuesday 2:00 - 5:00 PM (counseling)

Thursday 4:00 - 7:00 PM (counseling)

Friday 3:00 - 6:00 PM (Open Meeting)

* Consultations outside of these times are possible

* More events on our website

Who are we?

We are an independent social and political organization committed to good living conditions and fundamental social change.

To achieve this, we want to learn about our rights, stand up for them together, and build a strong grassroots movement.
